### October/November 2022 School Newsletter

Fulton is in full swing, and lot of activities are happening. Orange Shirt Day was well recognized at Fulton. Students learned about the 94 calls to action of the TRC. They learned which calls have been started and which have not.

This year all grade 10 and 11 English classes will focus on indigenous learning. The government has made taking an indigenous focused course a new graduation requirement. The requirement is mandatory for this year's grade 11 students.

Our FREE breakfast program has begun. Each morning from 7:45 – 8:20 volunteers work hard at providing a healthy breakfast to all our Fulton students. Please encourage your children to stop by the cafeteria for breakfast.

#### Fees

If you haven't done so already, please pay your child's student fees. If you are sending a cheque, please write your child's name and the reason for the payment on the memo line of the cheque. All unpaid fees or lost book fees from previous years are overdue. Please see Mrs. Redl in the office if you have any questions about school fees. Fees can be paid online and of course cash and checks are accepted.

#### Mid-Course Reports

All students will be receiving a mid course report on **November 21**. In Grade 8 and 9, a proficiency level will be reported on the scale of Emerging-Developing-Proficient-Extending. The comment will let you know what your Fulton student can do and what they can work on to improve their learning. Grade 10-12 students will receive a letter grade and a comment that explains what they are able to do and areas of continued development.

#### Graduation Information for all Students

Below is a link to the website on the current graduation program. It will help students navigate graduation and course selections. Over the course of this year, each student in grade 9-12 will review a graduation plan to create their three-year grad plan. More information on the three-year grad plan will be outlined in your students CE9, CLE and CLC classes. [Graduation Info](#)
