Welcome To Fulton!

Welcome to new families and students. This August newsletter will update you on some of the startup procedures and help prepare new and established families for the upcoming year. Fulton has renovated flooring in the front foyer, and some English classrooms this summer. Fulton is also undergoing the LED lighting upgrade and this will continue throughout the year. The custodial crew are well into making Fulton sparkle for the upcoming year. Thanks to their hard work, we look forward to coming back to our amazing facility.

Student Timetables

Students completed the course selection last spring. We have used selections to create the courses offered. Your Fulton student may have selected a course that did not get offered or conflicts with other requested courses. These students will be programmed into other courses to meet their graduation requirements.

Counselors and Course Changes

Mrs. Pauline Kereluk will be working with students with last names A-K and Mr. Geordy Reid will work with students last names L-Z.

Student timetables will be **released in MyEd BC on August 21st**. The counsellors will be available for change requests on August 25th through to August 29th.
